

Steps to Log In to Udemy Using Google (Gmail)

1. Open Udemy

- Visit www.udemy.com using a web browser, or
 - Open the Udemy mobile app on your device
-

2. Click “Log In”

- On the homepage, select **Log in** from the top-right corner
-

3. Choose “Continue with Google”

- On the login screen, click **Continue with Google** (Google icon)
-

4. Select the Assigned Gmail Account

- A Google account selection window will appear
 - Choose the Gmail account provided to you
 - If the account does not appear, click **Use another account** and enter the Gmail credentials
-

5. Grant Permissions (If Prompted)

- If asked, allow Udemy to access basic Google account information
 - Click **Continue** or **Allow**
-
